“ *Your Mama was one precious soul! I feel I have known her all my life from the Tamassee-Salem Elementary and High School lunch room days. I thank God for those precious memories of her presence, smiles, and encouragement. Not to mention the smell of fresh baked yeast rolls every day! Most children today have no idea how blessed it is to have home-prepared lunch, like we did. Heaven is rejoicing in her presence as we did.*

“ Juanita was a special lady who loved my family and we loved her.
When Marion and Beverly were alive we had some of the best food
ever and lots of laughs, too. Sending sympathy, peace, comfort,
love, and prayers to the family. I'll miss our phone calls and letters.

“ As far back as I can remember Juanita has been in my memories. Every year my brothers and I would stay for a week with my grandmother; we would go everywhere together and that meant visiting Juanita. She would always remark on how much we had grown and how handsome we were becoming. On top of the compliments and praise she would let us run rampant in her yard and offer us apples, oranges, or whatever snacks she had on hand. When my wife and I got married years later Juanita was so gracious to gift us a beautiful cake stand which my wife proudly uses everytime we entertain friends and family. Juanita truly embodied the love of Christ and she had the virtues of a saint. She will be greatly missed.
