“ *I am so sorry to hear of Judi's death. She was Lead Secretary in my home department, Food Science, and then my Administrative Assistant in the School of Applied Science & Agribusiness in the College of Agriculture. Judi was an absolutely top-notch person - both a caring individual and a consummate professional. You have my profound regrets for the loss of your wonderful mother and grandmother.*

“ *So sad to learn of Judi's passing. I knew her for many years as the admin assistant in one of our College of Agricultural Sciences. She was a wonderful woman who was dedicated to her job and to CU. I know when her husband, Tom, passed she was lonely and missed him so much. We sat near them at CU basketball games. Please know her many friends from CU are thinking of you and praying for comfort. May your memories of your Mom sustain you all.*

“ I am so sorry to hear of Judi's passing. She was always so friendly and outgoing. I knew her when she worked in Food Science and continued our relationship when I also worked with Tom. They were an admirable couple, complementing each other in their relationship. I know she missed him dreadfully after his passing. She was devoted to her family and was a good person in every way. My condolences to her children and family. Mary Harvey

“ Kim - my sincere condolences to you and your family. Mother daughter relationships are special and my thoughts and prayers are with you. You have a beautiful family of your own, which had to have made your Mother so proud and you gave your Mother that beautiful granddaughter and grandson.
