“ I remember spending most of the holidays with Doris and Erby growing up. They were our family even though we weren't blood kin. Doris was a absolutely precious human being! I'm thankful to have known here and Her late husband Erby as well as I did. The last time I saw Doris, she was smiling so big! She had a lot of hardship in life, but she always seemed happy. Always wearing a smile. Peace and love be with you Doris! I know you're an angel looking down on all of us now. I'll miss the fact that you're no longer on earth. I'm thankful that you are now in a better place. Always peaceful, safe, loving, not having to worry about anything. I'm sure you have reunited with Erby & Kenneth now. I hope my daddy's with you all too. I will always treasure the moments I spent with you and your family in the past years.
I'll never forget you and your kindness. God Speed.

“ *I remember her making chocolate gravy for breakfast one day when I was there. It was the only time I've had it but i remember it like it was yesterday. Everytime I see a chocolate gravy recipe I think about her in the kitchen making it that morning , that's the first thing that pops in my mind about aunt Doris. God bless you Doris. Losing you is hard on your loved ones but I know you are rejoicing with your Heavenly Father and your loved ones that has gone on before you. 🙏😞*
