“ *Julie and I were young mothers who transferred to West Orange County, FL together. We only new a few people, but we knew we had each other. She was a great source of inspiration to me as she always had a “Can do” attitude which I always admired. We always shared great times which I will always cherish. As the years passed and our paths crossed, we would often reminisce about our children’s playdates and corporate events where we could always begin our next conversation exactly where the last one ended. Julie was very special to me. I was saddened to hear this news, but wanted to extend my deepest and sincere condolences to Tim, Rachael, Timothy, and her loved ones.*

*Warmest Regards,

“ What can one say when a friend that was like a sister passes into the arms of the one she loved most and directed everyone to Him, Jesus! We had so many gut wrenching, tear dropping laughs. The minute you met Julie you loved her. Our hearts are broken but hers is healed. Glad you were part of our life. Till we meet again. I know your sweet voice is singing praises to our Savior. Praying for your family.

“ What a beautiful life you lived, Julie. I am so thankful that your life touched ours. You gently encouraged, counseled, and taught Bill and I in the early years of our marriage as we learned to be teachers and then parents. We have such fond memories of times spent with you and your family. Thank you. When I think of you, I always think of you laughing. I think that is what you are doing now too in Heaven. Laughing and singing. Tim, Racheal, and Tim, we love you and are praying for God's peace and comfort for you. Love Jen and Bill Stark

“ *Julie was one of my sweetest friends when we used to fellowship together at Community Bible Fellowship in Florence, SC. We sang together at church, played softball together for the church (she was always batter #1 and I was batter #2). We sang together with her sisters many times. Julie matured into a precious Christian over the years.....I know this from reading the things she wrote on Facebook during the times she was suffering so badly....she was always thankful to the Lord and never bitter. I can assure you that the Lord welcomed her home - no more pain and suffering for her. One day, I will join you Julie and together we will sing praises to our Savior!!*
