*Barbara and Family,
We are deeply sorry to hear about the death of your mother.
May the love of those around you help you through the days ahead,
and may all the memories of your mother give you strength to face the
pain you all are feeling.*

*It's the little things, the small, everyday occurrences that you all will
remember, the laughs, the stories, the smiles. And even though it
seems like you can never recover from losing your Mother, it is these
very memories that will help push the pain away, and bring back the
smiles.*

*Always remember, those we love don't go away. They walk beside us
every day, unseen, unheard, but always near, still loved, still missed
and very dear.*

*May the peace which comes from the memories of loved shared,
comfort you all now and in the days ahead. Our thoughts and prayers
are with you and your family during this difficult time.*

*With Heartfelt Sympathy,
Annette and Al*

Julie was a wonderful and beautiful person inside and out. Julie and Jerry opened their home and hearts to me when I went to Tri-County Tech. Their children (Barbara, Denise and Mike) are all wonderful people because they had the most amazing parents anyone could have ever asked for. To my best friend since elementary school (Barbara) I grieve for you all and you are all in my prayers. Your mother may be wrapped in God's arms, but, she is and always will be in your heart. I love you all dearly.
