“ *I met Karen through the Robinson family and while working at Walhalla Elementary. She was one of the people who made that school so great. One day we were talking about food, no surprise there!, and she shared her recipe for Chocolate Oatmeal Cookies, no bake. Those cookies are SO good. I am a Guardian ad Litem nowadays, and like to share these cookies on my visits with the children, in honor of Karen. I think that she would have liked that!*

Teach your children to pray so if their little hearts feel heavy they can go to God and not the world.

“ Karen was our oldest cousin out of 9 girls! No boys! Growing up, I always thought of her as a quiet & sweet cousin. I looked forward to the many holidays spent at the home she grew up in. We have wonderful memories of great family gatherings & good fun. I remember her Camaro, her pretty dark hair & beautiful smile. I miss our Kirby get togethers. I look forward to the next big family reunion in Heaven when we will all be together again. We will miss you my sweet cousin! I love you, Pam Nalley

“ Karen will be missed by so many. I remember the day of Greg and her marriage. Greg had been our friend growing up together and hanging out at Ilean's house! Karen became a friend too. Have such fond memories of her days at Walhalla Elementary School. Her love for children and her co workers was observed by all. Ethan always wanted you to have everything you wished for and loved you unconditionally. Praying for all Karen's family during this time.

“ I cannot believe she is gone. While I am so thankful she is completely healed from her Pancreatic Cancer, I am lost without her. Ethan, your sweet mama and I were friends long before you and Tripp were even a thought! She will be missed by so many. Nana Sue, thank you for sharing your daughter with me for almost 40 years. She has been a wonderful friend. Kathy, I am going to miss your sister just as though she were my biological sister. Live will certainly be different without her presence. I love you all.

“ Karen and I were friends in our younger days (I was actually in her & Greg's wedding), but we lost track of each other along the way. I had heard of her illness but prayed she would overcome this terrible disease. I'm so saddened to hear of her passing. But she is now forever healed. Prayers for her family
