“ *To Frankie & Family,
I am so sorry for your loss, but take comfort in knowing that your mother is no longer suffering and that God knows when enough is enough. I have experienced what you are going through, it will get better in time. You will never forget but you will learn to accept.*

Love to the family

“ God saw her getting tired when a cure was not to be. He closed his arms around her and whispered "Come to me." In tears we saw her fade away. Our hearts were broken-we wanted her to stay. But when we saw her sleeping, so peacefully free from pain.we could not wish her back. So keep your arms around her Lord and give her special care. Make up for all she suffered and all that seemed unfair.
