“ *Farewell dear friend, I will miss you greatly, however I treasure all the memories of our good times together. They all started in the late seventies from working together in the Oteen VAH to beach trips, mountain trips, cruises, and our final trip to Canada. We laughed together, cried together, prayed together and loved life. You beat me home, but I'll be along soon enough.*

“ *Kathleen was such a sincere, thoughtful person. Was so glad to see her when she transferred from Asheville VA to Columbia VA as operating room supervisor, then on to Greenville Outptl clinic after that. She was always at nursing school reunions encouraging group to stay together. Will miss her as will many of her friends and family.*

“ *Bill, This note is from Cathy Lane Tyner. We have something in common now. My mom, Dora died one year before your mom on the same date. They are now dancing in heaven together with Grandmother Emmie and other loved ones that have gone before. I am so thankful that you brought your mother to Mom's celebration last January. I am only sorry that I did not get to speak to you. We loved your mother. My prayers are with you. Yours in Christ, Cathy*

“ Family,
We were so sorry to hear of Kathleen's passing. She was a fellow daughter in both the Andrew Pickens Chapter DAR and the John C. Calhoun Chapter UDC and she will be greatly missed by all of us. Speaking personally, it was such a pleasure for me to get to know your mom over these past few years and I treasure the memory of her enthusiasm for researching her family's genealogy. In Christian love and sympathy...
