Your mother was such a loving and friendly person, as was your dad, too. I saw her at a wedding a few years back and she and Gail were laughing about who would drive them home after the reception. After a little thought and a lot of fun about "what ifs", we decided we'd just go home and be happy. She was so funny that day. She was such a kind neighbor when Judy, Bobby, Rachel, Dan and Gail were sick. Also, while in high school I remember hitching a ride with Mr. Roy to some of the out-of-town ballgames a few times with another friend. Being on the trips with him was always more fun than the football games. What a pleasure knowing both your parents. Count your blessings and talk about your memories a lot. That helps.

Also I loved listening to Leon telling things about his mom, Kathleen and Roy during our many beach trips. He loved her so much, too. Our love to all, Clarence and Louise L. Towe

When I read Kathleen's obit this AM, my first thought was "Oh, Kathleen's gone to heaven, Praise the Lord." I hope you the family will also feel that way. I know you're sad for her passing but she's at home in the Lord.

“ So sorry to hear of Mrs. Williams passing. Last time we saw her was at Oconee State Park campground with all the family gathered around. We reminisced and laughed a lot that day. I know you have many good memories that will live forever. She was a mother that definitely loved her children and family. God bless and comfort each of you during your time of loss.
