

## Ms. Kayla Nicole Allsep

July 2, 1987 - May 24, 2019

Kayla Nicole Allsep, 31, experienced a heavenly homecoming, Friday, May 24, 2019.

Born July 2, 1987, Kayla was the daughter of Linda Smith Haskett and the late Rodney Carl Allsep. She was a little sister to Amy Sanders Carver, and the aunt to two beautiful nieces, Brittney and Kyleigh, and granddaughter to her loving grandmother, Evelyn Smith. She was preceded in death by her maternal grandfather, Leon Smith, maternal grandmother, Rachel Jordan, and paternal grandparents, Carl and Nancy Allsep. Kayla was also loved and nurtured by her “second family,” Ray and Patricia McAlister, and their children Miranda, Matthew and Bradley. In addition, Kayla also had many cherished friends and family members with whom she shared a lifetime of memories.

Kayla grew up in Seneca, where she attended both church and school. She accepted Jesus into her heart in elementary school, and was baptized at Earles Grove Baptist Church. Living a Christian life and focusing on the scripture remained important to her throughout her life. Kayla attended Seneca High School, where she participated in the strings band. She was a very talented musician, with a God given talent that allowed her to play many instruments and bless both her family and friends. After graduating from high school, Kayla went on to attend Tri-County Technical College and pursue a career in nursing. After receiving her degree, she continued to study and build

her knowledge to further her nursing career. Again, she followed God's direction and used her nursing career to serve and bless others. She was employed with Grady Health System in Atlanta, GA, where she worked as a Registered Nurse in the Neonatal Intensive Care Unit. Not only did she love and provide for all of the babies and families she encountered, but showed special compassion and provided clothes for the babies she cared for without mamas. She knew this was her calling, and dedicated much of her time and energy to these tiny infants.

Kayla loved her family, and she used her gift for cooking to treat them and share on special occasions. This past Mother's Day, she was busy in her mama's kitchen, preparing and celebrating with those she loved. Kayla demonstrated a life well lived by spending time with those she loved and sharing special days with them. As you can see, Kayla was all about showing love and compassion in both her personal and her professional careers.

Funeral services will be conducted at 11:00 AM, Friday, May 31, 2019, at Davenport Funeral Home Chapel with burial to follow at Evergreen Memorial Gardens.

The family will receive friends from 10:00-11:00 AM, Friday, prior to the service, at Davenport Funeral Home.

Flowers are accepted or memorials may be made to the Make A Wish Foundation, Gift Processing, 1702 East Highland Ave., Suite 400, Phoenix, AZ 85016.

“ *My little sister, I miss and love you so very much. It's hard to put into words how I have felt since you have been gone. Not a day has gone by that I don't think about you, wishing I could see you and talk to you one more time ,too many things left unsaid. I remember growing up I made you sit down until I got you to learn your first country song word for word by Garth Brooks, I Got Friends in Low Places. You was so mad at me for making you sit there and learn every word, but you learned all the words and knew it till this day. The day I got you your first job working with me in Pendleton at the office and how we got hooked on ordering the deep dish loaded pizza from Columbos or the turkey sub and small tuna salad, lol. Many memories. But right now I would give anything to be able to talk to you one more time, see you one more time. A big part of me went with you. My heart breaks every day. Even though I know you are in heaven with your dad and taking care of all the babies up there. Always remember I love you very much and miss you more than words. One day I will see you again. Just wish I could talk to you and see you one time now. I love you my little sister always.*

“ *Ms. Smith and family,  
What a beautiful and well written tribute for a beautiful and precious daughter. I met Kayla several years ago through her best friend and 'sister' Miranda Langston and the McAlister family. Kayla was so sweet and kind to everyone she met. She LOVED her job saving babies and promoting healthy infants. May you hold close the memories and Miranda I know you will miss her so much because you spent so much time together, but may you be comforted by God's amazing grace and love.*
