“ To the Family of Keith Galloway.

*I considered Keith a Friend. I worked with him many years thru the Fire Department. We spent time talking when he would call the Fire Marshal's office. I spoke with him last Wednesday a week ago. He said He had just had back surgery. I told him when he recuperated, I would come get him to spend the day with my family. He said he would like that. I am saddened to hear of his death - he will be missed. My family and I extend our sympathy to Keith's family. He was a wonderful kind person!*

*Sincerely*
