“ Please know that your entire family is in our hearts and prayers. I always thought the world of Kenny as did my entire family. He was always fun to be around and I enjoyed the times he spent here when my kids and he were younger. I choose to remember him as he was then, grinning that boyish grin and always in a good mood and laughing. I pray that God will comfort you all in your great loss. May it be a comfort to know that he is at peace in Heaven with our Heavenly Father and that his earthly struggles are over. Sincerely,

“ Kenny you are the greatest brother-in-law a girl could ask for. I am blessed to have gotten to know you this past year. You will be sorely missed! It is going to be hard for Gary and I to look out of the window and know you are not at home. Ride high little brother! Thank you for teaching me that no matter how hard life gets or how sick you are, NEVER give up, you are my hero! We love and miss you.
