“ Carolyn, Angie, Darlene, and Julie: I am so sorry to hear of Mr. Jack's passing. Julie and I spent so much time together as children that you all seem like family to me and have a very special place in my heart. I have so many memories of being at your house; Mr. Jack teasing me and Julie or telling us we were being too loud at church; I remember playing softball in the back yard with your entire family; how Angie used to bake cakes and we always got to munch on those! Please know that you all are in my thoughts and prayers! Sending each of you love and prayers for peace and strength.
