“ *First time seeing this today after 7 years. Dad, I love and miss you so much. It is amazing seeing how many people were impacted by your unconditional love and happiness. You are the person I strive to be. You were a blessing to so many people. One thing that was special about you was your smile. It was so bright that it lit up an entire room. It instantly made people happy. I thank God every day that I am blessed with your smile. I am so lucky to have you as my Dad. You taught me how to always be proud of myself and how to love God. I will never forget you, Dad. Your daughter, Kenzie.*

“ I will truly miss Kenny, he was the upmost example of someone who loved life. You could always count on him to speak to you and laugh with you and even sometimes encourage you before the conversation ended. I worked with him his whole time at Michelin and can say it was an honor to work along side of him. If you knew Kenny , he left no doubt that he loved his family and loved God. May God comfort his family and loved ones!!!

“ *Kenny was a very special man and will be missed by a lot of people. I may not have spent a whole lot of time with him and his family, but he knew that I was always there if they needed me. I can recall many of times that I would go by their home and blow the horn and if he was out there, he always had a big smile on his face and through his hand up. I'm going to miss seeing your smile! May you rest in peace. Rebecca*
