“ *Uncle Kenneth I will always treasure the bond we had. I will always be YOUR girl. You always made me know how much you loved me. You have always been there for us and taken care of us. Tell Dale Earnhardt we said hey. I know he's one of the first people you met up there. I know that hay field your sitting in up there is filled with the biggest deer. Until we see you again, I love you!*
