“ *"Cuz and I dug ditches together, we hauled trees and brush together, we had wiener roasts together - actually we lived and loved together. We operated track hoes and back hoes together. I'll never forget Cuz hollering from the track hoe - "Wilbur, I think i'm sinking in this swamp, there is water pooling up around my feet!" - I love Harold more like my brother than my cousin. I'm so glad that we were part of each other's life. May God give his comfort to Marsha, Devin, and Dusty, and all their families.*
