“ I miss you so much now. Your memories will never fade. we laughed together, cried together, talked for hours on hours. But mostly I can say you my friend are a true fighter, You fought this Leukiema battle till God saw you had battled enough. Guess God needed another Angel so he called you home and as they say God only takes the best. You my dear friend were the best. Or in your words, only the good die young. So if i ever look up and see a cloud shaped like a Harley, I know thats you riding. Ride on in forever in peace.
