“ *To Mr. Murphy's family:*

My condolences. Mr. Murphy taught my College Study Skills class at NFA. I was his student in 1989, and I believe it was his last year teaching that course. Although the administration did not realize the impact he made on his students, I felt that his realistic non-conventional approach to teaching the class was just what seniors needed to prepare for college. Rest In Peace. Paul Clinton

“ I was so sorry to hear about Kevin. It was such a pleasure to see him at our eighth grade reunion in Port Chester. It seems like only yesterday. He took me to his Stepinac senior prom and I will always remember that time and him. My condolences to your whole family.##imported-begin##Barbara Kelly Shurtleff##imported-end##
