“ My dear friend Kim,
She was my rock on many occasions as my daddy fought the cancer battle! She knew all about it because she had fought that same enemy herself!! When it came time for my daddy to ring the bell to celebrate being done with chemo! My friend Kim had to be there because she said it was a very important step and she wanted to celebrate with us! Then there were the times we worked at our church food bank and our women's meetings at church! I always had so much fun hanging around my friend Kim!! I'm sure gonna miss those beautiful smiles, kind words, and warm hugs! Life will not ever be the same without you!! You're gonna be missed beyond words!! Love you my dear sweet friend!!

I can't even imagine the pain and loss you must feel Mike! It has to be so great!! Sending tons of love and prayers to you! If you need anything your church family is here for you!! We love you!!

Also sending love and prayers to Kim's daughters, siblings and the rest of her family!! We love y'all too!!
