“ *To Lauren and Ashton, The first year I taught at OCA in 1995,I met you and your mother. You became very precious friends to me during the years I was at OCA and in the years following. Though I did not keep up with you as well as I should have,I was shocked to about Kim's death. Though she might not have won this battle over cancer here on earth,through her love and care for you,her love for her friends and family, and her love for Jesus, Kim is well loved by Jesus today. I am sorry that I was unable to attend the funeral, but my Daddy has been in and out of the hospital since Nov. 20 in Georgia and I needed to be with him.I love you both.##imported-begin##Sara AStin##imported-end##*
