“ Enjoyed working with David at South Pine Street Elementary School. He had a great sense of humor that was shared with all. A very special man in our working relationship and one always with a lowkey pleasant attitude but one sure had to watch your back around him. After some of the jokes he played on me, I sure wish I had known his first name back then. I would have crowned him a few times. David and Sue meant a lot to us. Our love and sympathy.
