“ I have warm memories of LD and his family; he was always ready with a story to tell whether he knew you well or were a stranger; most recently, I took him and Glynnes to a doctor appointment in Greenville and he took me the real back roads so on the way home I told him to make sure he showed me the roads to turn.....later Glynnes shared with me that after I took them home LD asked her "why didn't she know the way"; Glynnes said "dad, she's been away for 35 years, roads aren't familiar to her anymore"; this is a precious memory of some time I got to spend with them - May God give this family peace and comfort in the days ahead.
