I will hold the memories of us going to Washington...she was hard to keep up with! It's so difficult to give up your Mama, but I know the special, loving memories will give you strength. “ My uncle Sherman just called to tell me about Aunt Arphenia's daughter. I think my Dad, Carlos, must have been at the front roll of the gates waiting on her - as it was 3 years ago (on the 27th) that he passed on. My heart goes out to all of you, but especailly to Robin and Dot as they are the siblings I know the most. You will all be in my prayers as the days come and go. “ We send our deepest sympathy for the loss of Lana.  
I thought the world of Lana. She sure was a special lady. I worked with her for many years. Lana's attitude was a pure no nonsense approach to everything she encountered when dealing with adults and children. She was always helpful to me and to the students she served in our library. She loved seeing Zeke. She knew the entire Moore Family and was always like...is that a Moore or is that a Moore boy?

*She will be missed by all of us.*
