“ I cherished every minute I got to spend with my humble Dad. He was such a gentle man to have looked so manly. A man that could give you a look and you knew what he was thinking. Even though he was not my biological father, he treated me like I was his own blood my entire life. No matter who said I wasn't his, he set them straight real quick and I loved him for that. He was a great role model for me growing up. He was the only real man in my life and I thank him for that. We bonded over our favorite team the carolina tar heels. As we watched Micheal Jordan play together. He will be greatly missed in my heart and I will never forget what he did for me. Rest In Peace Dad.
