“ *I have been out of town and I'm just learning of Larry's passing. Larry has always been a great friend and mentor. He was a very talented musician and it was an honor to get to play with him. Rest In Peace my friend.*

“ *I was very saddened to hear this. As a bass player and musician I looked up to Larry and how talented he was. I learned a lot from him and was one of the nicest guys I ever met. First time I ever rode a Harley was on his bike he let me take for a spin. Bought me one shortly after and hooked ever since. RIP my friend, you will be forever missed*
