“ *I had the joy of working with Larry at South Pine Street in Walhalla and found him to be a lot of fun, always smiling, telling me I couldn't solve all my students' problems, but to keep on trying. He was just fun to talk to. The last time I saw him was at OMH too many years ago. I was recuperating from an operation that he had had a few years earlier. His last words to me were, "Don't lose faith." I still have that faith, Larry!*
