“ *Marshall was my first supervisor when I started at Shlumberger just out of high school in 1985. He was tall and sorta scary to a girl first day on job. But through the years he was crazy, funny and I wasn't scared anymore lol he nicknamed my Mother, Beebop and now I work at the hospital and he came in and he just hugged me and said "alright now Mel you better not hurt me with your needle " I said "well now I remember way back you told me I needed to pick up my production numbers " haha. He just grinned and said "well you did " we had a good laugh and my prayers are to all y'all and he can breath with ease* ❤️
