“ I will miss my brother in law (and FRIEND) Lawrence. A long history together but the last year and half will always be the most special. After my truck wreck I wasn't expected to have much movement if I lived. Lawrence was always coming from Seneca to encourage me. Telling me to never give up. Every little step would lead to a bigger one. He brought things for me to work my hands with. Favorite food from Cracker Barrel. Now when I am using the nuts and bolts he brought I will remember him sitting at the table with me encouraging me. I am glad he doesn't have to hurt anymore. See you later Lawrence!!
