“ I met Leila in 1984 when I went to work at Clemson University with the Army ROTC Department. She was very helpful to me and we became friends right away. We remained friends through all these years. I will miss her. My condolences to all the family.

“ Leila was my best friend's mom. She put up with alot of shenanigans from us and was always kind and loving with me. I will remember all the wonderful times we had as families growing up together. Peace!

“ I knew Leila both from her days at Ascension and her days at Keowee Square. She was a lovely person and it has been my pleasure to have had so much time with her. My sympathy to Karen and all family and friends.
