“ *My sweetest memory of Mom at Foothills Assisted Living ,was her loving her baby dolls and the men. No one could ever have a sweeter Mom or Dad than Randy and I did. They would go without just so we could have things they didn't have when they were growing up. It is odd as we grow older and we realize what our parents went through just to make our lives better and easier. I really loved my Dad ,but I had more time to share with her. She will always be in my heart and her last words we spoke to each other was" I love you." Mom I love you and I know you are happy being with Dad and your other relatives and especially Jesus. Love you,Joan*

Beautiful memories of your parents. You took such good care of your mother. I told someone that when i stopped to see you the other day, your mother's skin was beautiful, she had on a Christmas sweater and , I do believe, she had on a little makeup. You have been a wonderful care giver. Rejoice in that time with your mother and now it is time for you and Howard. Love you
