“ *Dear Wayne and Family,
Our hearts are saddened at the loss of our dear friend. We go a long way back with Susie, probably from the time we stayed at her house when Ned died, or even earlier than that. We always ate at least one meal at the Kountry Kupboard when we visited Carolyn and Susie tried to sit down with us for a few minutes when she could. It was always a special treat when you were there also. We wish there had been more time to visit. She was such a kind and caring friend and we held her in high esteem.*

We wish we could be there for her service. Please know that we will be there in our hearts and our minds. We will keep you and your family in our prayers in the coming days. God bless you.

*Our love and prayers,

“ Praying for Wayne and the family.
Ma Sue made a lasting impact on my life. From being my boss to a blessing mama. She always gave me some good advice. We made each other mad a time or two as well. From going on early in the morning to staying late in the evenings helping her feed those cats to the small talks to hearing Bop by Dan Seals playing on my phone. “Where’s Wayne that’s our song” she would say. So thankful and grateful the Lord blessed my life with Her and Wayne. God bless each of you.
