“ *I send my deepest sympathy. All of Levi's friends, family's, and loved ones are in my thoughts at all times. I am truly sorry for what has happened. Levi was a kindhearted soul from what I hear. To bad that I did not personally get to know the young individual. I wish that their was something, anything that I could do. I was their that night, was out with my sister and found out that Levi is two of my brother-in-laws cousin. My niece has seen him around school. I will never forget that night. Though, I have never met Levi, he will always hold a special place in my heart. My heart truly goes out to his loved ones.*
