“ *Eddie, Renee and family, I was saddened to learn of your dad's passing even though I had never met him. From the statements about him he must have been a wonderful man and dad. I taught you both at Pine Street in the Reading Lab and remember your sweetness. One thing I will always remember is that Eddie was in my class at the time my son would arrive for afternoon kindergarten daily and came in to tell me he was on his way to Mrs. Mayer's class. You always gave him a high 5 when he came running in. One day he didn't come and you came up to tell me and wanted to go looking for him. I told you I had forgotten to tell you he was home sick. Your reply was, "Well, next time tell me!" And I am pretty sure I did.*

I am very sorry about your dad leaving this earth so soon but I know you have a lot of love and memories to share. I will be praying for you all. Sending my love and memories.

“ Levis was a good man. Out of no where he was sick. So sadning to see him gone in the blink of an eye. Life is so precious and it shouldn't be taken for granted. We will miss him always piddling around behind us, great landlord. Also, long standing friends and neighbors of the family. Much love to the Smiths right now!!
