“ I met Lee several years ago, but in recent years I've had the pleasure of really getting to know and respect him. His commitment to God, family, and his country and his friends is a good example to all of us. He lived every day to the fullest and welcomed challenges without hesitation. He was great at finding solutions and seeing things through. I would like to thank Julia and his family for the support and sacrifice made on them while he so proudly served our country... his advanced rank shows his true dedication. I'm so proud to call him my friend and will never forget his smile and his laugh.
