“ *I am so sorry to hear of Liliana's passing. I never had the chance to know her at Anderson University, but my heart is burdened for your loss. I cannot imagine what you are going through but praise the Lord the pain is temporary (2 Corinthians 4:18) and we have the promise of everlasting glory to anticipate (1 John 2:25) when our hope has been found in the resurrection of Jesus Christ (1 Peter 1:3). Our prayers are with you during this time <3*

“ *My deepest condolences to liliana's family. She always made us smile. Hearing her voice and laugh whenever I walked into the student center at Anderson university brightened me up right away. I remember once a couple of friends and I helped liliana with a fun Avon makeup party in the middle of nowhere the trip was just as fun as the event, together laughing all the way. Liliana I will never forget you. You set the example of a strong willed and ever so happy beautiful friend anyone would gladly love to have. I love you I will see you again! R.I.P*
