“ Hazel and Family, Sorry to hear of the passing of your mom. It has been much to long since I have seen her but I still remember what a great mom she was. When Mike and I would come up from Greenville we were always so welcome and made to feel at home. I still have fond memories of the times I visited. I know how much she will be missed.

“ *Charlene and Family I am so sorry for the loss of your Mom, I worked with Ms. Lillian at Council on Aging back in the 90's, when she was the receptionist. She was a wonderful lady and a really great person. I loved her and her beautiful smile and her wonderful personality she was always ready to listen to any problem I might be having and ready to have fun when we had too much time on our hands. She will surely be missed! My prayers and thoughts are with you and your family. Phyllis McCall*
