“ It deeply saddens all of us at Square D (Schneider Electric) to hear of your loss. [Name] was more than just a coworker—she was a bright light in our days, always bringing warmth through her smile and a sense of humor that lifted spirits. Her presence left a lasting, positive influence on everyone who had the privilege of working with her. She will be dearly missed, but fondly remembered.

Please know that our thoughts are with you and your family during this difficult time.

*With heartfelt sympathy,
Janice Moore*
