“ Ms. Haynes was one of my favorite patients. I knew it was going to be a good day when I saw her name on the schedule. She had the most infectious laugh of anyone I have ever known. I’m so saddened to hear of her passing. But I know she is free from the chains of this life. Ms. Linda, you will forever have a place in my heart.

“ Going to miss you so much, Momma. You were my ray of sunshine. I love you so much. But I know you're dancing in heaven, no more pain, no more suffering. I could write and write. But you knew me better than most people will ever know me. We laughed, we cried but you loved me as your daughter and I loved you as my Momma. You will always be my Momma. I love you.
