“ *To Linda's family:*

I was so very saddened to learn of Linda's passing. I got to know her during our years on the Georgia DAR Summer Workshop Tour and I always looked forward to seeing her at the DAR events, especially Continental Congress. You loved her, of course, as your wife/mother/friend, but there are many, many people you will never know about who also counted Linda as a friend! She touched many lives and will be missed by so, SO many people! I will particularly miss seeing her this summer at Continental Congress...it was always a treat to see her smiling face at the Tamassee table. May God bless you during this sad and difficult time in your family.##imported-begin##Teresa Howard##imported-end##

From my very first visit in the early 1980s through her visits to Texas State Conferences and finally seeing her at what would be her last DAR Continental Congress, Linda was a precious portrait of Tamassee's successful mission.
