“ I was truly blessed when God put Linda Morris and her family in my life. The Morris family has given to me my fondest of memories as a teen. Linda stuck by me when everyone else deserted me and in what she and I both know to be the hardest thing any mother could experience in life. There will never be anyone else in this world that will touch my heart in the way that Linda Morris has.

“ We have very fond memories of Linda. She helped us rescue 6 horses one time. They were in pretty bad shape but thanks to Linda they all survived. We practically lived at the barn where we were keeping them. Linda adopted a Palamino and I adopted Ginger a sorrel quarter horse that turned out to be one of the best horses I have every owned. I called Linda one night after caring for the rescued horses all day. I reported on the horses then ended the call. My wife said do you realize what you just said to Linda and Ernie. I said no and my wife said you just told Linda you loved her and good night !! Linda and Ernie and me laughed about that for years. Later Linda worked on my TWH "Midnight" training her to rein properly.  
I remember one time we were crossing a creek and Linda was on a buckskin and it laid down in the creek with Linda still on! We all had a good laugh but Linda got the last laugh she sold the horse.  
Great memories.  
Love you Linda until we meet again ! Jack and Martha Ruff

Bo, you probably don't remember me, but I kept Madison as a baby at TLC. I watched your mother's video and must say it touched me so deeply. My own mother passed away a couple months ago and I can relate how difficult the good bye is. The music in the video was not only beautiful but told a wonderful story about your family and your mother. It is so hard to let go but just lean on Jesus like you never have before. He will get you through. Believe me, I know. My prayers are with you and your family.
