“ *June was unique in every way: fierce as a teacher committed to serving every student, and vocal in expressing her fashion sense and her opinions, but most of all she was extraordinary in her loyalty. I loved visiting her classroom and listening to her ideas. We will all miss “Miss Reid.”* ”

“ As a teacher, June was so intelligent but so humble. I never knew of her "disliking" a student. Knowing her at Walhalla High School and, later, at Mountain View Restaurant, was one of life's blessings for me.

I did not know Mrs. June personally, and only visited with her on Friday evenings at the drive through at Mountain View. I would call my order in and she would recognize my voice and say my name back to me. I always got the same thing and when she realized it was me, she said my name and said "when do you want to come get it ". We became fast friends and I looked forward to seeing her. Such a pleasant and kind lady. I will miss my friend, Mrs. June.

“ So sorry for the loss of this wonderful lady. I was never a student but one of her customers at Mt View. She always had smiles and could make my day with her off the wall answers to my questions. She will be missed but heaven has a new star.

I was saddened to hear about the passing of June. My daughter looked up to her in high school and I got to know her at Mtn. View restaurant. I enjoyed chats with her while we waited. She loved her family very much. I know she'll be missed. My sincere condolences.
