“ *We were neighbors across the street on Island Pine Drive in Stillwater from Linda and John for 6 years from 2008 - 2014. Linda was the first to give us a warm welcome with the gift of cocoa mix in a glass jar with a snow man imprinted on it. We still have that glass jar used for candy in our current home here in Seneca at 420 Old Salem Road (29672). Linda and John were always so warm and friendly to our family. We truly appreciated their friendship and neighborhood support. Linda will be treasured in our memories always. John and their family will be in our prayers and we are certainly available for any support in the future. 864-723-3461.

“ So sorrowful to think of Linda's passing and the mourning you must all be going through. She is ever in our prayers. Such sweet memories we always shared...all through school and standing up in each other's weddings. She was like a member of our family for so many years. John, pull out that accordion and play a song for her. My dad will be listening too. Love, Ruth and Jim Wilder
