“ *Phyllis and family. My heart ached when I heard of Lisa's passing. She was that I spoke with often and the large smile of hers would light up a room. She would always tell me when I would see and talk with her, "I'm doing good, you proud of me". My response was, "i'm always proud of you". The Tribble family will certainly miss her for many years to come.*

“ Dear Phyllis and family,
I have no words to tell you how sorry I am. I cannot imagine life without Lisa. Her love of life and for her family inspired me to live my life a little freer and to love a little deeper. I am heartbroken that we had to lose her, but confident we will see that amazing smile again. I will miss my best friend.

“ I know Lisa's wings are Sparkling and shining! She was an inspiration to all who knew her. She had a gift that made you smile! If you didn't feel like smiling you would be smiling. She Loved her jewelry and bangles Necklaces. If she loved mine. I would just give them to her to see her smile and say "For Me"! She loved her Clemson Tigers! God put her and Phyllis in my Life. I am so grateful and Thankful for them. Lisa's Love for people and Especially the Love for "Sister" (Phyllis). Sending Prayers and Love to all the family.

God's Love,
Barbara
