“ I am still in shock about Lous passing. I have known Lois and her family seems like forever. She was a precious lady and a dear friend. We sure are going to miss her in the shop. The ladies carried on with each other and she would leave her walker on the porch and one of the ladies would tell her she left her catallac idoling. She was a special lady and will surely be missed. To the family, I am so sorry for your loss. Betty and Charles you have been so good to Lois. I wish I could see this in others with their loved ones. May God Bless You and help you through this.
