“ I am so, so sorry that just today I have learned of Miss Lois' death. Growing up near her home and family and playing with you children were highlights of all the Lee Family kids. Mike, Donna and Wanda you know your mom was loved by many though we had not seen her in years. One special moment I remember was being in her home and teaching Joanne how to crochet two tin pie plates together. She tried to be nice but laughed and laughed asking why anyone would want to do that. But we succeeded. Sorry to have missed the funeral, visitation, etc. Another wonderful woman now in Heaven; perhaps they have a "little Picket Post group" there. Love to you all,

Some people you just never,never forget,my Aunt Lois is just that for me.She has had and will continue to have an everlasting effect on me and my family.Where I live in Tamassee I do some walking and I walk right by a home where she once lived and I think of her as a young lady living there every time.Like a mother to me,set such wonderful examples of how a mother should be.As I grew older and my wife and I had our own family I didn't stay in touch like I should have,but I certainly didn't forget.In fact every day I for a long time now I have been praying for Aunt Lois.I know one day I'm going to see My Aunt Lois and Joann and my mother,probably together,again.Mike,Wanda,Donna,I'm so sorry for your loss.May God Bless each one of you and your Families

“ *I am so sorry for your loss, Lois will be missed by all who had the privilege to know her determined will and internal sweetness. But there is much rejoicing going on today in Heaven with Jo Ann and Lois. They have been apart in the physical for a short time here on earth and now they can celebrate being together in the presence of God. May the sorry of them both gone from your lives also reawaken sweet memories that you have not thought about in some time. God gives life as they say, and also takes it away; but he does not leave a void that can not be filled with love and precious moments. We that miss them will never forget who they were on this earth and how they touched our lives.*
