“ *Linda, I am so sorry for the loss of your mother, she was a very special lady, I will always remember the beach trip I took with you, your mom made me go knock on someone door to tell them I was sorry for yelling at them or something but this was the best thing she could have done for me , later she walk on the beach with me you walk with her friend I think her name was Jerry and your mom was so kind , love when she let you stay home from school when my brother Gaylon died, and I stay with you that nite and all the times you came home from school and made instant chocolate pudding, and we would have a bowl you always share, thinking of you you had a wonderful mom,*
