“ I know she is with her beloved husband my uncle Clark. She will be missed so much by family and friends, like I said she was truly amazing. Her love was unconditional, her hugs were like a warm blanket, her commitment to her family was unwavering. For my part those times spent with her and my uncle and the kids will continue to be the best. I send all my love and prayers to the family that loved her and to those she touched I share your loss. Love to all.

her are fill with love. Going to see her and Uncle Clark as a child
was the highlight of summers. The house was always filled with love
and always smelled amazing. She always seemed to know when us
kids were up to no good. She is with her love now, she and Uncle
Clark forever together in heaven is a very nice thought.*
