“ *Edna & Family*

*I am so sorry to hear of your loss. I have known Lonnie and Edna seems like all my life. My dad Ernest Reid always got them to work on TV's for him. Then I lived not far from them with my Fiance' Jimmy Collins on Old Flat Schoals Road for a little over two years. I had to move back up the mountain to live with my parents because of medical problems. Anyway enough about me! I send my sincere condolences to all of you. I know this is a very difficult time. I pray that God will give you strength and bless you! I will keep all of you in my thoughts and prayers!*

*Sincerely,*

“ Lonnie and I went to school together at Oconee Creek, and I always did think a lot of him. I would take radios and televisions to him to fix and I always enjoyed talking and fellowshiping with him. He was a good friend and I am saddened to learn of his loss, but I also know that he has just entered a place where no more sickness and suffering nor heartaches exist. My thoughts and prayers are with all of the family. God's Grace is sufficient to help us get through our darkest times. May God bless all of you. “ Lonnie Hall was a special friend to the Crain family. I will never forget the many times that Lonnie worked on our electronic equipment,both at his shop and in our home. He was always a "down to earth" nice guy to be around, as was his family. You are all being remembered in our prayers.
