“ My sympathy and prayers to the family of Mr. Gene Stephens. I knew Gene as a wonderful kind-hearted man that would give you anything if needed and was a very kind neighbor. No matter if he was not feeling well, he would always call to check on me, during storms or just to talk. Offered for me to come stay with him if my power went out or any disaster. What a generous and trustful friend. He was a good friend to me and I am devastated to hear this for his family and anyone who cared about this good faithful man. We worked in different departments is how we first met at ONS. Such a positive and happy gentleman. This is such a shock to me. I tried to call the Health facility where he was last night and they could not find him by his room. I logged onto Davenport and to my sadness I found where he had passed. The family is in my deepest prayers and ask for comfort to all of his family during this very difficult time. May the family find peace and comfort from out Lord and Savior. I ask for the family to reach out and let me know if there is anything they need.

May God Bless,
Gailyn

“ *High school days, Gene could drive a car like nobody else, he lost more hub caps on the road to the top of Stump House Mountain than anyone else. Gene was fun to be around, at school, at work and especially just to be with him. You would always leave with a grin on your face, kind and gentle, Gene put a hole in your heart that only he could fill, he was just that kind man.*

Always remember, those we love don't go away. They walk beside us every day, unseen, unheard, but always near, still loved, still missed and very dear.

May the peace which comes from the memories of loved shared, comfort you all now and in the days ahead. Our thoughts and prayers are with you and your family during this difficult time.

With Heartfelt Sympathy
