“ James and Family, I am so sorry for your loss. She was such a very wonderful person and I am so glad I had the chance to know her, every person she met she touched there lives. I will say this, the first one to go is the blessed one, but one day in Heaven, is one hundred years here on earth. So she will turn around and a lot of us will be there. We will spend Eternity together. The Bible says we will be known as we were known. God on the Mountain is God in the Valley. My thoughts and prayers will be with you, as they have been.
